By completing this section, I authorize Daavlin or its billing agents to verify my insurance benefits for DME. I authorize direct billing to my insurance, assignment of benefits to Daavlin or its billing agents and release of medical records necessary to process my insurance claim. I understand there is no obligation to purchase to receive free verification of my insurance benefits, but once I instruct Daavlin or its billing agent to ship my order, payment in full is my responsibility.

Shipping & Order Confirmation:

- It is important to understand the size and weight of your prescribed device and the shipping process, as all sales of prescription medical devices are final. Please discuss these details with your Patient Representative by calling 419-636-6304.
- The cost of delivery is included in the price of the unit when shipped in the contiguous 48 States, and consists of basic carriage to a ground floor door of your home or garage. Deliveries to AK and HI, white glove or requiring a box truck will be provided a quote prior to shipping.

Important! Here are the 4 items Daavlin needs to begin processing your order:

- Patient Order Form (This page or online version, signed by the patient) If using insurance, 5-10 pgs of chart notes relevant to this diagnosis and order
 Physician's Written Order (Or online version, completed by prescriber) If using insurance, a copy of the front and back of insurance cards to be billed

I confirm that the above information is accurate and complete to the best of my knowledge. I understand that a Physician's Written Order Form, chart notes, and insurance cards (if using insurance) must accompany my order. I have read, understand and agree to Daavlin's Terms and Conditions of Sale Agreement (page 3) and I understand that all sales of medical equipment are final. I agree to follow my prescriber's instructions for proper use of this medical device.

Patient Signature (Required) _____ Date _____

If patient is under age 18, parent/guardian signature is required.

Terms & Conditions of Sale Agreement

Please read the following information carefully and keep this document for your records. For questions, call 419-636-6304.

- Daavlin home medical devices are sold only by prescription or written order of a licensed physician.
- You agree to use your home medical device only in the manner in which it was intended. This includes following your physician's instructions, scheduling periodic follow-up examinations and using recommended safety procedures during treatments. Minor patients for whom devices are prescribed are required to be under the supervision of a parent or guardian who understands the use of the device and assumes full responsibility of the minor.
- You agree that all sales of prescription medical equipment are final. Any returns must be pre-approved and will incur a service fee. Daavlin is not responsible for shipping charges.
- You agree that prescription medical equipment should only be used by the person it was prescribed for, under the care of their medical provider. Just like a prescription medication, prescription medical devices cannot be transferred, shared, sold or given to another person.
- Daavlin's HIPAA Privacy Policy, Medicare Standards, and Patient Bill of Rights are available on www.daavlin.com, and a printed copy will be included with your device upon shipment. To receive an additional copy by fax, mail or email, call your representative at 419-636-6304.
- When Free Insurance Assistance is requested, Daavlin evaluates your insurance network. If Daavlin is "Out of Network" for your health plan, and it would financially benefit you to use an "In Network" provider, Daavlin may recommend one of its authorized distributors who is in your network. In this situation, the distributor would act as an in network provider / billing agent. All distributors are companies who provide Daavlin products and are licensed to provide and bill for Durable Medical Equipment.
- There is no obligation to purchase when Daavlin or its billing agent verifies your insurance benefits and eligibility. However, once you have authorized shipment of your order, payment in full of the agreed upon price becomes your responsibility. You understand that unmet deductibles, co-pays and changes in plan benefits can sometimes affect the amount of reimbursement you receive and you agree to pay the difference between the agreed upon price and the amount of your insurance reimbursement.
- If your device has not yet been paid in full, and your insurance company sends its payment to you instead of to Daavlin or its billing agent, you agree to forward this payment to Daavlin or the billing agent within five business days of receipt.
- Only orders within the contiguous 48 states qualify for Daavlin's "Standard" delivery. Hawaiian and Alaskan deliveries will incur additional shipping charges, as will addresses that require a special delivery via box truck instead of a standard freight semi truck. Daavlin will provide shipping quotes based upon the delivery address.
- Daavlin's "Standard Delivery" (no extra cost) only includes carriage of the device to the ground floor door of your home or garage. You may request a quote for "White Glove Delivery" if you desire additional delivery services such as stair carry.
- Upon delivery to your home, you agree to inspect the package and to note any damage on the freight receipt prior to accepting the delivery. If you are unable to fully inspect the product before signing off on the delivery, you agree to indicate "Further Inspection Required - Concealed Damage Possible" on the freight receipt and to notify Daavlin within two business days of the product being delivered, if any damage is present.
- You agree that you have read and fully understand the size and weight of the device and that you have space to accommodate it. Further, you confirm your understanding that some larger devices may require a special electrical outlet and that you may have to have this wiring installed for the device to operate. (Information on size, weight and electrical requirements can be found on our web site at www.daavlin.com or you may call a Daavlin representative at 419-636-6304).
- You understand, as the purchaser, that signing the Patient Order Form document constitutes your understanding and agreement to the terms and conditions contained herein, which are applicable to the purchase of Daavlin home medical products.
